**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I just want to say one other thing in support of alternative carriers like Sonic.

I think it is nefarious what they, TeleCom are trying to do to drive out any and all competition! I pray that you will shoot their plan down and not be coerced or bought off to support this very, very bad and self serving idea.

I am extremely grateful for all the years of excellent service and customer support have had with Sonic. I LOVE doing business with SONIC!

Telephone and Internet have been far better than when I was under the dominion of AT&Y and years ago with Pac Bell. There is no comparison in customer Service. SONIC's Outshines and Excels leaving AT&T and PacBell in the dust at the starting gate!
